Summary

I am a seasoned full stack web developer with extensive experience in programming and algorithm implementation. Proficient in JS & PHP frameworks such as CodeIgniter, I also specialize in WordPress development. My ability to quickly adapt to new systems was demonstrated when I mastered the iTop system (Cambodia) within a short period, even in the absence of extensive support resources.

Skill Highlights

- Laravel/CodeIgniter
- Wordpress/ WooCommerce
- Custom Plugins
- Drupal
- CSS/JS/Jquery/XHTML
- Payments Integration
- API design/integration
- Combodo - CMDB and ITSM open source software iTop

Experience

- **Freelance Web Development** – 2007 – 2013
- **Full Stack Development at ADVERTS4AUTOS LLC (Drupal):** August 2013 – July 2016
- **Selida Interactive PVT LTD (Project Management and Development):** August 2016 – July 2020
- **Zoom Arts & Design (Qatar) (Project Management and Full Stack Development):** July 2020 till present

Education

- **MS in Philosophy & Theology** (International Islamic University, Islamabad)
- **Masters in Information Technology** from Allama Iqbal Open University, Islamabad (2006)
- **HSSC(Science)** – Islamabad Model College for Boys, F-8/4 (2002)
- **SSC(Science)** - Islamabad Model College for Boys, I-10 (2000)

Some Projects

Let me mention the latest three systems I have developed:

- Event Management for (Code Igniter)
- POS for Juice Shop (Code Igniter)
- Mysaifco Tour Management (WP + ACF + JS)
